

General Information about Franklin's School Community Council

What is the School Community Council?

Franklin Elementary School's Community Council is a committee of interested community members including parents, school staff, and administrators who meet to discuss parent/student issues, Trustlands money, school achievement, and other items of interest. If you have issues to discuss or suggestions on how to improve our school then the School Community Council is the place for you!

What is the Time Commitment?

Approximately 1 hour every other month. A small time commitment that can have great impact!

How to Get Involved?

Members are elected and serve a two-year term. Members may apply and serve more than one term, but must be re-elected.

If you are interested in serving on the Franklin School Community Council please notify the office. The council size will be determined and elections for officers will take place during the Spring of 2016.
