

both of you both of you both of you both of you both of you
in the open in the open in the open in the open in the open
on the way on the way on the way on the way on the way
next to the next to the next to the next to the next to the
was the best was the best was the best was the best was the best
kind and good kind and good kind and good kind and good kind and good
most of all most of all most of all most of all most of all
over the hill over the hill over the hill over the hill over the hill
it would seem it would seem it would seem it would seem it would seem
it was under it was under it was under it was under it was under
I think that they should live in a city.
You will find their numbers on the back.
I want to say he is a year old for sure.
It was under the one that was the best.
It would seem I can be next to the door.
Their house is over the hill on the way.
Most of all I want it to be in the open.
Both of you are always so kind and good.
