lakes: fad; sad; so; How? What? Why? When? Where? The time is now. This is my
name. Do the work now. He has been out. She is now here. When will he go? They are
all new there. His work is great. She likes to come and work. We like them here. Why?
Only six of them can go. She has more time there. She will be here for one year. Then
he will run.
