

Quotation marks tell us when someone is talking. Red Riding Hood said, "Grandma, what big eyes you have." "The better to see you with." "What big ears you have." "The better to hear you with." "Grandma, what big teeth you have." "The better to eat you with," said the wolf. "Little pig, little pig, let me in," said the wolf. "Not by the hair of my chinny chin chin," replied the pig. "Then I'll huff and I'll puff and I'll blow your house in," cried the wolf. They go before and after what is being said. Look at you, you can type. Congratulations.
