

in our house in our house in our house in our house in our house
how do you how do you how do you how do you how do you
in or out in or out in or out in or out in or out
this is much this is much this is much this is much this is much
sit by them sit by them sit by them sit by them sit by them
what do you what do you what do you what do you what do you
she has it she has it she has it she has it she has it
one, two, three one, two, three one, two, three one, two, three
do you know do you know do you know do you know do you know
which one is which one is which one is which one is which one is
Play with me and my friend on the swing.
She was going to see the book with them.
Look at me dance and sing on a nice day.
Sit by them now and say one, two, three.
Excuse me, do you know how much this is?
Which one is in a hurry to go in or out with us?
What do you do now, and how do you feel?
