## Speed Builder Homework

### 5. High Frequency Words

*Type the lines below for 10 minutes each night. Try to get a little further each night. If you finish before the 10 minutes are up, repeat.*

after after after after after amount amount amount amount amount  
best best best best best cost cost cost cost cost could could could  
could could date date date date date during during during during  
during find find find find find five five five five five four four four four  
four give give give give give green green green green green help help  
help help help its its its its its just just just just just number number  
number number number over over over over over price price price  
price price return return return return return school school school  
school school see see see see see since since since since since  
through through through through through want want want want want  
well well well well well We like to try to do lots of fun things. We call  
can play sports, sing, and dance. We can have fun even if we are not  
best. Just four or five cost the higher price. Could Jared help find its  
return number? Give the green plant water after school. It is best to  
see the fist during April. Well, since then the date has been used.  
Through looking, I went over the amount
