

along along along along along always always always always always behind behind
behind behind behind below below below below below big big big big big different
different different different easy easy easy easy easy enough enough enough
enough enough everyone everyone everyone everyone everyone fall fall fall fall fall hear
hear hear hear knew knew knew knew knew lived lived lived lived lived nothing
nothing nothing nothing off off off off off often often often often often old old old
old old open open open open open open page page page page page paper paper paper
paper paper said said said said said I knew nothing of the different pattern. He lived
along the dry, open, easy road. Always look below and behind that paper. Everyone
must face a big change in life.
