

almost almost almost almost almost alone alone alone alone alone back back
back back back boy boy boy boy come come come come come either either
either either either gone gone gone gone gone ground ground ground ground
ground inside inside inside inside inside job job job job job large large large large
large life life life life life little little little little little look look look look look never
never never never never night night night night night past past past past past size
size size size size voice voice voice voice voice week week week week week
within within within within within write write write write write Almost a week has
gone by; please write. Come back; write a little on the ground. The inside of the
box is the right size. A boy is never stopped by a large voice. His life alone is
making me look within.
