

answer answer answer answer answer became became became became became  
close close close close close dark dark dark dark dark early early early early early found  
found found found found glad glad glad glad glad go go go go go got got got got got  
held held held held held longer longer longer longer longer man man man man man put  
put put put put ran ran ran ran ran read read read read read really really really really  
really right right right right right sentence sentence sentence sentence sentence still still  
still still still study study study study study water water water water water My answer  
became the center study point. The man got close and found I was early. He was glad  
to read by that still water. Does she plan to go where the horse ran? The new dark ship  
really held up longer.
