

Name: _____

Keyboarding

Review 11

Type the lines for 10 minutes each night. Try to get a little further each night. If you finish before the 10 minutes are up, repeat the paragraph.

title tattle patent thought delegate tainted quotient
multiethnic rarer horror rehire former resource curricula
railroad everywhere traits whiter entire chapter trusted
interest strictly throughout Better profits attract country
doctors from the central district. mimic myself mining
museum immediate million immigrate immobility noon
