## Review 2

*Type the lines for 10 minutes each night. Try to get a little further each night. If you finish before the 10 minutes are up, repeat the paragraph.*

qwertyuiop

Quincy quit after quickly acquiring a squash and a kumquat.

Whitney squawked when the waves swept away his wristwatch.

Ethel eagerly washed out several green smudges on her desk.

Jerome, quit trying to trade your extra trucks for tractors.

Tell these tutors to state exactly the subjects they teach.

Your young confectionery buyers actually arrived yesterday.

Kurt had bought the quetzal because of its unusual plumage.

William did divide his platinum wire into nine tiny pieces.

You outdid yourself to prove your point about those radios.

My nephew had expected to purchase pumpkin pies for supper.
