Changes and Timeline- Michelle

- Changes for Council - We can focus on appropriate academic needs now. We can spend no more than \$2.00 per student per year. See document (it will be posted on the Website)- We can spend (Trustlands) as much as we want as long as it helps build academics.
- Positive behavior plan - Do we have SHARPS data? NO 6th, 8th, 10th and 12th grade students. Can track and compare trends over the years...
- Principal Assurance Form and Council Signature Form - Watch for email.
