

Franklin Elementary SCC Meeting
Wednesday November 16, 2022
3:45 p.m.

SCC Members

Carrie Prince - Chair	Present
Brenda Fuller TI Coord. - Secretary	Present
Paula Speirs	Present
Lindsey Freeman	Present
Sarah Peterson	Present
Jason Benson Principal	Present

Also Attending: Michelle Wages, Daniel Stokes, Teri McCabe

Agenda Items:

- Review and Update Parent Engagement Policy
- Review and Update Title One Compact
- SCC/Trustland training - Jason will provide the link through email
- Root Causes
- CSI designation explained

Notes: Updates and changes to Parent Engagement Policy and Title One Compact made on the documents.

Questions and Comments regarding CSI - Would you consider hiring a new/additional EL teacher to work with the new-to-country kids. Are you asking teachers for a commitment to stay? We need to look at the Root Causes instead of just saying there are a lot. Teacher turnover and student mobility are two causes. Ideas: Would love to see early readers being sent home to help build early literacy skills (ie. SAM books, a take home library monitored by a PTA mom). Reminder notes, post cards written by teachers (mailed). Have a parent night, run by parents, teaching the parents how to encourage children, discussion groups, Parent success night. Parents don't know what the goals are what the rewards are. School-wide uniform reading goals, reading calendar - tracking minutes for the month. Want to know what the reading goal is. Add an expected math homework like practicing math facts. Parent engagement ideas, parent led Help parents know what they are learning in class. Options, workbooks, prodigy, etc.

Root Cause observations - Student Mobility Rate, low attendance, low family support at home, low socio economic status, large number of teachers with less than 5-years experience,

Waiting on the space lab completion

Next Meeting: December 7, 3:45 Media Center

Report on ideas to combat the "root cause" ideas - sent out by Carrie
